

Dear Potential Sponsor:

We are so excited about our Annual Celebration #Lives Transformed this year! This year, we are very excited to be back in Scott County at The Event Barn at Evans Orchard. Our Annual Celebration is scheduled for Thursday, November 2nd beginning at 6pm and we are asking for the support of the community. Thanks to generous churches, businesses, sponsors, and donors like you, we've been able to meet needs right here in the community. Just last year, we helped over 200 families with over \$25,000 of financial assistance (rent, utilities, etc.), and we mentored over 50 youth right here in Scott County. Thanks to your generosity, we were also able to partner with the Finley Foundation to bring back the 11th annual Finley 5k. Our vision is to transform Scott County into the community God intended it to be, for each individual, one person at a time.

We hope you will consider joining us as a sponsor. Each year at our Annual Celebration, over 150 individuals from across the community gather. Your business logo would be seen at a special table, dedicated just for your business. We will also have your company listed on our website and will give Facebook recognition on our Facebook page with over 2k followers.
